Italian 232: Italian Culture II

Rutgers University

Monday and Thursday 11:30 - 12:50 PM **AB 4400 Professor Carmela Scala Department of Italian**

Email: carmela.scala@rutgers.edu

Office: AB 5110

Learning Goals:

This course is an introductory survey of Italian culture from the Renaissance to today. Students will be asked to think critically about what constitutes national culture, while placing Italy in a transnational and/or global context. By the end of the semester, students will have a general understanding of a number of significant Italian cultural objects—from the literary and fine arts to the sciences—and will be able to situate them in their relevant historical and theoretical contexts. Taught in English; no knowledge of Italian required.

Departmental Goal II: Cultural Proficiency

Core Curriculum Learning Goals (AH, o and p)

This course satisfies the Learning Goals for Art and Humanities o and p:

At the end of the course students will be able to:

- o. Examine critically theoretical issues concerning the nature of reality, human experience, knowledge, value, and the cultural production related to the topics addressed.
- p. Analyze arts and literatures in themselves and in relation to specific histories, values, languages, cultures, and technologies

Academic Integrity Policy:

All students are responsible for completing their own work, and for citing any secondary sources consulted. Cheating, fabrication (lying), plagiarism, and failure to participate in group projects are considered violations of academic integrity. Any violation will be grounds for immediate failure and will result in disciplinary measures (a meeting with the Professor, Chair of the Department, Undergraduate Advisor, and the Dean).

Class etiquette and requirements:

- ✓ NO cellphone allowed during class and especially during guizzes and exams.
- ✓ NO laptop allowed in class. (I will share my power points on Canvas or you can take notes the old-fashioned way (3)
- ✓ During the exams you MUST leave one seat empty between you and your 'neighbor'.
- ✓ Bathroom breaks are allowed during the exams however you MUST leave your cellphones on the podium.

Attendance Policy:

Students are expected to attend all class meetings. If you expect to miss one or two classes, please use the University absence reporting website https://sims.rutgers.edu/ssra/ to indicate the date and reason for your absence. An email is automatically sent to me. Regular, punctual attendance is required. No more than three absences are allowed; use them wisely, for health and other serious issues. Having more than three absences, arriving to class late, failure to do the readings or participate in discussion, and engaging in behavior that is distracting to the rest of the class are grounds for a significantly lower mark in class participation.

Accommodations Policy:

In case students with disabilities should require any assistance and would like to request accommodations, they <u>must</u> do so during the first week of class. Students should follow the procedures outlined at: http://disabilityservices.rutgers.edu/request.html

Course requirements:

ACTIVE Class Participation (Attendance / Punctuality and Discussions)	30%
Midterm Exam:	20%
End of Term Test:	20%
Final Project:	20%

Required texts:

All readings are posted to Sakai. Since there is no textbook for this course, students are REQUIRED to <u>print out all readings and bring them to class</u>. Students are encouraged to invest in a new toner cartridge for their printers and/or place sufficient funds on a print or copy card.

All readings, assignments, and dates are subject to change. It is your responsibility to stay informed about any changes to the syllabus.
