Visiting Student Guide

Summer visiting students fill out a registration inquiry form through Rutgers Summer and Winter Session website at: https://summersession.rutgers.edu/register-rutgers-summer-session
The form processes the student's information and automatically generates a record in the Rutgers system. Once the process is complete, students are sent their RUID and PAC numbers and given instructions on how to register through the web registration system. No formal application is required for visiting students to register during Summer and Winter.

NEW, starting spring 2021. Visiting students taking courses in the fall and spring semesters will go through Rutgers standard admissions process for part-time and non-degree students. See info. here: https://admissions.rutgers.edu/applying/more-for-part-time-non-degree-applicants/

Visiting students can register for the Italian for Reading Knowledge Certificate Program here: https://visiting.rutgers.edu/certificate-programs/italian-reading-knowledge-online-certificate
The Division of Continuing Studies office manages registration for this online certificate. This is a one-year program starting each fall. Students complete a 3-credit Italian for Reading Knowledge course (01:560:105) in the fall and register for the 3-credit Italian for Reading Knowledge course (01:560:106) in the spring. Both courses are taught online. Upon successful completion of the program, certificates are awarded.

Visiting Students wanting to take the Italian Placement Test, should go here: https://italian.rutgers.edu/academics/undergraduate/placement-tests

For tuition information, please refer to Rutgers Student Accounting, Billing, and Cashier Services at: https://studentabc.rutgers.edu/
