

Storia dell'Italia Multingue in Musica

["L'Italia Multilingue in Musica" offers an in-depth exploration of the cultural and linguistic influences that have shaped and continue to shape Italy's rich musical tradition. This course aims to uncover how Italy, a nation with an extraordinary musical history, has been influenced by and has influenced other cultures and languages through music. Students will have the opportunity to expand their knowledge of Italian music, gain a deeper understanding of languages and regional dialects, and discover the multilingual roots of Italian musical culture.]

This summer online asynchronous course is taught in Italian by Professor, Carmela Scala.

This is a 3-credit course graduate students take 16:560:691 advanced undergrads 01:560:492 from July 7 - August 8, 2025
